APPENDIX O
Change in Study Personnel

Complete this form to add or delete any OSU Co-Investigators or key personnel on the research study. Signatures are required for the addition of all Co-Investigators. Do not list external Co-Investigators on this form. All OSU investigators and key personnel must complete the required web-based course (CITI) in the protection of human research subjects prior to IRB review. See http://orrp.osu.edu/irb/training/citi.cfm or contact ORRP for more information.

As applicable, provide the currently approved materials (marked as “current”), and the revised materials, one copy with change(s) tracked (or underlined) and one copy with change(s) incorporated (clean). All materials should be submitted single sided.

To request changes in study personnel before the next continuing review, include the “Amendment/Changes to Research” form found at http://orrp.osu.edu/irb/amend/index.cfm.
